ABOUT ME

Information and Communication Technologies (ICT) Engineer and Network and Telecommunications Technologist with experience in full-stack development using technologies such as HTML, CSS, JavaScript, Python, Vue.js, React, Astro, and Angular. Additionally, I have experience in artificial intelligence, hardware and software integration with microcontrollers (ESP32, Arduino), as well as in the administration and configuration of networks and telecommunications systems.

WORK EXPERIENCE

Tikee | Frontend Developer

Frontend Developer

October 2023 – December 2023

- Developed interactive and responsive web applications using Vue.js and Node.js.
- Implemented technical solutions to enhance user experience, working on projects that required API integration, state management with Vuex, and the development of dynamic interfaces.

Nous | Desarrollador Web

Web Developer

January 2024 – March 2024

- Developed web applications using Angular for the frontend and Laravel for the backend.
- Implemented dynamic and responsive interfaces, managed application state, consumed RESTful APIs, and created reusable components, enhancing the web project's user experience and performance.

EDUCACIÓN

Universidad Internacional del Ecuador

Information and Communication Technologies (ICT) Engineer
September 2021 – November 2024

Instituto Tecnológico Superior Daniel Álvarez Burneo

Higher Technologist in Networks and Telecommunications
January 2019 – August 2021

CERTIFICATIONS

- **CyberData 2024 – III International Cybersecurity Congress**

Institution: Universidad Internacional del Ecuador

Date: August 2024

- **HUAWEI Training Course**

Date: January 2022 – June 2022

- **Speaker at ICTP Physics Without Borders Ecuador**

Institution: Yachay Tech University

Date: August 2023

- **Junior Developer**

Institution: Universidad Internacional del Ecuador

- Date: October 2022 – February 2023

Intermediate Machine Learning

Institution: Kaggle

Date: January 2024 – February 2024

TECHNICAL SKILLS

- Frontend: HTML, CSS, JavaScript, React, Vue.js, Angular
- Backend: Node.js, PHP, Python, Laravel, Django
- Others: Artificial Intelligence (AI), Cybersecurity, Networking, Internet of Things (IoT)

SOFT SKILLS

- Communication
- Teamwork
- Creativity
- Adaptability
- Problem-solving
- Work ethic
- Critical thinking
- Conflict management
